TECHNICAL WORK EXPERIENCE

Spin Master | Toronto, Ontario May 2026 – August 2026
Engineering Innovation Intern

- Researched injection molding, and FDM manufacturing methods to produce cheaper and more complex toys.
- Designed CAD models in On Shape for rapid prototyping of new toy concepts.
- Built early-stage prototypes and working models that were presented at LA Toy Fair.
- Operated FDM printing machines using multiple 3D printing techniques.

VOLUNTEER EXPRIENCE

Youth Without Shelter | Toronto, Ontario September 2023 – May 2024
Lunch Maker

- Put together and packaged bagged lunches for under privileged kids in Toronto

OTHER WORK EXPERIENCE

Charlie's Maps | Grey County, Ontario **J**une 2024 – August 2024
Founder

- Founded a map advertising business by creating a tourist map of Meaford, Thornbury and Clarksburg Ontario.
- Conducted door to door sales in the region and recruited 25+ businesses to advertise on the map.
- Worked with various partners (Design, Printing, Distribution) to produce and distribute 10,000 copies of the map.
- Used the map to generate more business for local institutions.

Wax Magic Detailing | Toronto, Ontario June 2025 - Ongoing
Manager & Car Detailer

- Operated a car detailing business with a partner.
- Conducted door to door sales, scheduled appointments, and detailed cars.
- grew and managed a strong client base for future summers, consisting of 50+ clients.
- Continue to conduct sales and facilitate relationships for active detailers.

Craigleith Ski Club | Collingwood, Ontario Winter 2024 & 2025
Ski Instructor

- Taught children aged 5 – 8 how to ski confidently
- Effectively managed a group of diverse learners
- Mentored younger, less experienced ski instructors to give them the tools to instruct on their own

AWARDS / ACHIEVEMENTS

Duke of Edinburgh Bronze Award (High School Achievement)

Head of Student Leadership | Greenwood College School 2024 - 2025

- Held the position “Head Boy” in my senior year of high school
- Spoke at school wide assemblies, greeted students at the doors every morning, represented the school at internal and external events.
